

**New York ACS Local Section**  
**Inorganic and Organometallic Topical Group**  
*www.newyorkacs.org*

## ***Save the Date!***

*Members of the New York ACS Local Section and their colleagues are cordially invited to the 5<sup>th</sup> annual*

## **Frontiers of Inorganic and Organometallic Chemistry Lecture Series**

Friday, October 27<sup>th</sup>, 2017

1:30 pm

Havemeyer Hall, Columbia University

*featuring*

### **Keynote Speaker**

Prof. Cathy Murphy

University of Illinois Urbana-Champaign

### **Symposium Speakers**

Prof. Tianning Diao, New York University

Prof. Brian Gibney, Brooklyn College

Prof. Tom Rovis, Columbia University

### **ION Poster Session Social Hour**

Immediately following the symposium, will feature poster presentations by students and postdocs in the areas of Inorganic, Organometallic, and Nano chemistry

*Please register for this free event at [www.newyorkacs.org](http://www.newyorkacs.org)*
