

ACS SYMPOSIUM SERIES 1272

Accessibility in the Laboratory

Ellen Sweet, Wendy Strobel Gower,
and Carl E. Heltzel

Editor(s): Ellen Sweet¹, Wendy Strobel Gower², Carl E. Heltzel³
Volume 1272

Publication Date (Web): March 20, 2018

Copyright © 2018 American Chemical Society

Sponsoring Division: ACS Division of Chemical Health and Safety

ISBN13: 9780841232761

eISBN: 9780841232754

Table of Contents

- Chapter 1: Introduction
Author: Ellen Sweet
- Chapter 2: Running a Laboratory in a Post-Secondary Environment: Regulations Related to Disability
Authors: Joseph Zesski and Wendy Strobel Gower
- Chapter 3: Assessing the Laboratory Environment
Authors: Jennifer Perry and Janet Baum
- Chapter 4: Accommodating Persons with Physical Disability in the Lab
Author: LaWanda H. Cook
- Chapter 5: Hidden or Invisible Disabilities and Laboratory Accommodations
Author: Christopher Scott Sweet
- Chapter 6: Best Practices for Accommodating Hearing and Visual Disabilities in the Laboratory
Authors: Joseph Zesski and Henry Wedler
- Chapter 7: Service Dogs in the Chemistry Laboratory
Authors: Patricia Ann Redden and Christopher Scott Sweet
- Chapter 8: Laboratory Safety for All: Accommodating Students with Disabilities in Chemistry Teaching Laboratories
Authors: Joanna Boval and Sheila Kenned
- Chapter 9: Finding Accommodations That Work
Author: Carl E. Hetzel
