

Tenure Track Assistant Professor Positions at Iona College – Starting Fall 2022

The Chemistry and Biochemistry Department at Iona College seeks enthusiastic and motivated applicants for two full-time tenure-track Assistant Professor positions, one to teach organic chemistry/related courses, and another to teach physical chemistry/related courses. The successful candidate will demonstrate a strong commitment to: excellence in teaching undergraduate chemistry courses; working within a collaborative instructional team; establishing a productive line of scholarly research; mentoring undergraduate students; service to the academic community. Positions begin for the Fall 2022 semester.

Minimum required qualifications:

A Ph.D. in chemistry, biochemistry, or related area; at least one year of relevant postdoctoral, academic, or industrial experience; at least two semesters of experience in teaching within undergraduate courses.

Applicants should submit:

A cover letter; curriculum vitae; 1 page statement of teaching philosophy; and 1 page summary of proposed research plan to Dr. Kathleen Kristian, kkristian@iona.edu.
