ANNOUNCING THE 35th NYACS HIGH SCHOOL AWARDS

Information for Teachers/Nominators

For the 35th consecutive year, the American Chemical Society will be recognizing outstanding high school chemistry students from high schools in Nassau, Suffolk, and Queens. (*Preference is for students that intend to major in chemistry, but it is not mandatory.*) Please nominate the student(s) who you feel have demonstrated a strong interest and who have excelled in the field of chemistry. Teachers from each school should consult science teacher colleagues and come to a consensus for selecting student(s), then complete the nomination form below by **Friday, May 3, 2024 (nomination deadline)**.

Nomination Link: <https://forms.gle/NnYFLQgyz7cYzsCc7>

The first Student for each school is complimentary. Additional students' plaques will cost \$40.00. If your school has a permanent academic award trophy case or display, you may purchase a school plaque for \$40.00 (option to include up to 3 names/plaque). Please submit payment for additional plaques by check (payable to **LIACS** and mail to: LIACS, c/o Frank Romano, 2490 Sycamore Ave., Wantagh, NY 11793.) You may also request an invoice for schools that pay using Purchase Orders by replying to this e-mail, or you can pay by credit card using the PayPal link (scroll to QR code and point phone camera on link):

Payment Link: <http://newyorkacs.online/long-island-HS-awards/>

Seminar: Mary Virginia Orna, ChemSource, Inc., "How Color Changed the World"

For awardees able to attend: The in-person ceremony and honorary dinner will be held on **Thursday evening, May 9, 2024, at Adelphi University, Ruth S. Harley University Center Building, 2nd floor.** *Garden City Campus Interactive Map Link below:*
