

Local Competition Rules
Chemistry Olympiad
March 27, 2021 (or March 28, 2021 if requested to national)

1. All New York Section (NYC area and sections of NJ) local exams will begin at 3:00 pm
2. All tests will be administered online.
3. You have 110 minutes to complete the exam.
4. You will have to be registered by February 1, 2021 in order to take the exam.
5. **All High School Students are eligible to take the local exam:** However, students who are not U.S. Citizens or legal permanent residents of the USA (Green Card Holders) are not eligible to be nominated to take the national exam. U.S. citizens and Green Card holders eligible to participate in the National Exam (based on score on local exam) must have taken part in the secondary school of the U.S. Educational System for more than one academic year.

About the Local Chemistry Olympiad Exam:

1. There will be no penalty for incorrect answers. Students should try to answer all questions on the multiple-choice Local Exam.
2. No more than 2 students from each school will be invited to the National Exam. If you qualify for the National Exam by email.
3. Your scores will be sent to your teacher.
4. Exams will be given online. You will need 2 devices to take the exam, one for the exam, another for proctoring. Information and a practice session will take place in February after registration is closed.
